

As part of HID Global's newly introduced sustainability initiative, HID is introducing a new "Go Green & Get Green" promotion to spur end-user demand for FARGO® ENERGY STAR-rated printers and biodegradable UltraCard Eco™ cards.

Customers that buy a qualifying FARGO® DTC4000/4500 ENERGY STAR-rated printer and a box of biodegradable HID UltraCard Eco™ cards through RACO Card Solutions are eligible to receive a \$100 rebate on their purchase.

The promotion begins May 31, 2011 with the availability of FARGO ENERGY STAR-rated DTC4000 and DTC4500 printers.

How it works:

1. Customer purchases bundle of newly launched environmentally-responsible FARGO DTC and UltraCard products from RACO Card Solutions.
2. RACO Card Solutions provides form to customer.
3. Customer completes form and mails it, along with proof of purchase to: HID
